

Adopt A Tulip!

Welcome to the nursery! We have lots of bouncing baby bulbs looking for a family. That family could be you when you 'Adopt a Tulip'!

Adopt A Tulip Today!

For only **\$5**, a tulip bulb planted in the Canadian Tulip Festival gardens will be selected for you. You will receive your own printable [Tulip Adoption Certificate](#), email updates on how your flower is maturing (including a reveal in spring to discover what variety of tulip your bulb has become), and your name will be featured in the upcoming Festival!

All this AND you'll be helping to support an historic festival and worthy charity. Purchase for yourself or as a gift. It's the perfect stocking stuffer or last-minute gift idea.

Purchase by December 20th if you want a certificate in time for Christmas!
